May 10 - 1910

My Dear uncle yours of the 3rd at hand yes it is too bad, but I guess it can be settled quietly at least the Lawyer says it can. He answered my question by tell me it could be settled by buying her out her part is one fifteenth I cant recall the term he used but that is the meaning. The Lawyer was writing to give you the explanation of how to settle the estate the Heirs as he puts them are all of Lucy Smiths Children Charles Smith wife and her grand children in case their mother or father is dead then you see who they are. Violet inherits through Charles Rittie & myself through mamma you & uncle anthony through your mother & father I am so sorry that I had to go to a Lawyer but it was the best thing to do under the circumstances I am a wittness that you all have helped Grandpar. There is another Lawyer in Tallahassee an old one that I want to see soon as possible but I cant get over there untill June I have taken out a thousand dollars of insuranc five hundred on the home two hundred fifty on each store it costs \$4.15 [...] Per hundred I paid \$ 25.00 down & will pay \$25.00 per month I cant get a copy of the will our Lawyer just keeps promising trust this will rest your mind dont worry untill after June all are quite well it [...] do this Lucy Smith and her heirs
